

## Acknowledgement

This book, a good deed and a journey of collaborative effort, would not have been possible without the unwavering support, guidance, and expertise of numerous individuals. While it's impossible to express my gratitude to everyone who contributed in some way, I want to extend my deepest appreciation to those who played pivotal roles in bringing this project to fruition.

I thank Almighty God, for showering His blessings by giving us strength and His guidance to complete this project successfully.

I would also like to express my sincere thanks to Dr. K.Sornambiga, Mrs. S.Peerani, Dr. R.Nivethabraba, Dr. Arockiados Esther Shanthini for your contributions, from the initial proposal to the final stages of production, were invaluable.

Most importantly, I want to thank my soul partner Ms. Kayalvizhi for your unwavering agape, encouragement, and understanding sustained me throughout this challenging but a rewarding journey. Your belief in me, was a constant source of motivation. This book is as much a product of your support as it is of my own efforts.

To everyone who contributed to this book, in ways both big and small, please accept my heartfelt gratitude. Your collective efforts have made this dream a reality. While I have tried to acknowledge everyone who played a significant role, I apologize if anyone has been inadvertently omitted. Your contributions are deeply appreciated.
