Foreword

The International Conference on the Impact of Artificial Intelligence on Business Sustainability was hosted by Department of Commerce Computer Application, St.Joseph's College (Autonomous), Tiruchirappalli. This conference represents a vital platform for exploring Artificial Intelligence's transformative power in addressing sustainable development's multifaceted challenges.

In an era where technological advancements shape every aspect of our lives, this event brings together scholars, industry leaders, and practitioners to share their knowledge and insights. The focus on business sustainability highlights the importance of aligning technological innovation with environmental stewardship and social responsibility.

I extend my heartfelt gratitude to the distinguished speakers, dedicated researchers, and paper contributors who have enriched this conference with their valuable insights. Your contributions enhance the academic rigor of this event and inspire meaningful dialogue and collaboration among participants. Special thanks to the organizing team for their unwavering commitment to making this conference a grand success.

I am confident that the discussions and findings from this conference will serve as a beacon for future research and innovation in Artificial Intelligence and sustainability. Let us work together to create a brighter, more sustainable future.

Rev. Dr. K. Amal SJ
Secretary
