

## PREFACE

We are delighted to release a special edition titled “**Rebooting Business: A Guide to Digital Transformation**” explores how organizations can navigate this complex journey and emerge as agile, data-driven, and customer-centric enterprises. Digital transformation is no longer a choice—it is a strategic necessity. This e-ISSN Journal serves as a comprehensive guide for business leaders, educators, entrepreneurs, and students who wish to understand the principles, practices, and challenges involved in transforming traditional systems into smart digital ecosystems. Through real-world examples, case studies, and expert perspectives, this book bridges theory and practice to illustrate how technology can drive innovation to enhance efficiency, and to create sustainable value. This e-ISSN Journal discusses how businesses must adapt in the global economy under pressures from disruptive technologies – social media, cloud, automation, etc.
